

Mr. Levine's Message

Greetings Bulldog Families,
I hope this message finds you well.

A reminder that the **the last day of this school year is now Tuesday, June 17. June 13, 16, and 17, will be early release days for students.**

Thank you for your support and partnership. Please let me know if you have any questions or if I can be of assistance in any way.

Best,
Sam Levine

7th Grade 3 Strike Field Trip Policy

Effective April 22nd to June 11th 2025

Purpose of this policy:

The seventh grade teachers would like to ensure a successful end of the year field trip. We would also like to reward students who consistently make good choices. For these reasons, we have created a Field Trip Policy which emphasizes good behavior in the classroom and hallways. Taking students out of the building and into public spaces, we need to ensure that all students are respectful and cooperative to our chaperones and to the staff of the establishment we are attending. We are confident that all students at John T. Baker are capable of earning Field Trip privileges and we want to help them to succeed.

You will not be able to attend Field Trip if you receive three strikes.

The following behaviors will result in a strike:

- Office referral
- Threatening another student
- Cyber Bullying
- Disrespect to adults
- Disruption of classroom instruction
- Refusal to follow directions given by an adult
- Being late three times to any one class
- Being caught using a cell phone

You will be warned verbally before a strike is given and you will be told immediately if you receive a strike. Any staff member in the building may give you a strike. Mr. Cummings will inform you when you have received three strikes.

*****Please note that an office referral is an automatic strike. A referral may take place without a verbal warning if the behavior is severe.**

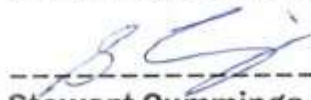

****** Suspension in school or out will result in an automatic removal from the field trip.**

APPEALS

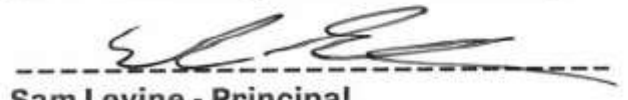

(An appeal can be written when the student receives his/her third strike).

All appeals must be written to Mr. Cummings and turned in by June 11th. The appeal will then be discussed and reviewed by the 7th grade teachers and administration and a decision will be rendered.

Please note: Once a student becomes ineligible, it becomes the student's responsibility to give written justification for reinstatement privileges. It is important to note however, that a written appeal does not constitute an agreement that the student may attend the field trip.
