Looking forward...

The PTA needs more volunteers... Our current PTA Board has served for the last two years, so in order to keep the PTA active, we need new volunteers who are willing to step into these roles. Without additional volunteers, the PTA will be forced to close our charter and the school will no longer have a PTA to support our students, staff, & school. Please reach out to BakerPTA@yahoo.com if interested or would like to discuss.

Scan the QR code to link to our online membership form! We look forward to seeing you at our next meeting in March!

Pensando en el futuro...

La PTA necesita más voluntarios... Nuestra junta directiva actual ha estado en funciones durante los últimos dos años, así que para mantenerla activa, necesitamos nuevos voluntarios dispuestos a asumir estas funciones. Sin más voluntarios, la PTA se verá obligada a cerrar nuestra escuela autónoma y la escuela ya no contará con una PTA para apoyar a nuestros estudiantes, personal y a la escuela. Si está interesado o desea conversar al respecto, comuníquese con BakerPTA@yahoo.com.

Escanea el código QR para acceder a nuestro formulario de membresía en línea. ¡Esperamos verte en nuestra próxima reunión en marzo!

¡ Miércoles de Bienestar - ¡Se necesitan donaciones!

- ◆ Nuestros estudiantes celebran el "Miércoles de Bienestar" durante sus sesiones de asesoramiento. La PTA solicita donaciones de artículos para las aulas para este evento.
- ◆ Consulte la [lista de deseos](#) para ver los artículos solicitados.
- ◆ Las donaciones se pueden dejar en la oficina principal.
- ◆ ¿Prefieres donar fondos? Usa PayPal @BakerMSPTA e indica que es para el Miércoles de Bienestar.

¡Subasta silenciosa esta primavera!

- ◆ Después de una subasta silenciosa inaugural muy exitosa, nuestra segunda será durante la Noche Internacional de esta primavera.
- ◆ ¿Tiene un negocio local dispuesto a donar un servicio o una tarjeta de regalo? ¿Tiene tarjetas de regalo o regalos de las fiestas que no va a usar?
- ◆ Tenga en cuenta nuestra subasta: ¡podemos usarlo todo!

¿Tienes un estudiante de octavo grado?

- ◆ Por favor, rellene el formulario adjunto
- ◆ Las donaciones cubren: camiseta de la clase 2030 de DHS para todos los estudiantes, ceremonia de baile y promoción de octavo grado y junio
- ◆ Las donaciones se pueden hacer mediante cheque (Baker PTA con el nombre del estudiante en la línea de notas) o mediante PayPal @BakerMSPTA o escanee el código QR a continuación.

Weather Decisions

How We Decide Whether to Open, Delay or Call a Snow Day

Safety-First Approach to Weather Decisions

MCPS uses a practiced, safety-first process for weather decisions. We monitor forecasts, road conditions, and overall safety, and coordinate with county partners and neighboring districts. We assess transportation, staffing, and facility readiness countywide. Once a decision is made, we share it quickly across all MCPS channels.

Frequently Asked Question: It's not snowing where I am—why close my school?

Answer: Weather varies across our 500-square-mile county. Buses and staff travel through many areas, some of which may be icy or unsafe. Decisions must be made for systemwide safety, not individual neighborhoods.

Student Transfer Application Season Schedule from the first school day in February 2026 through the first day in April 2026

ROCKVILLE, Maryland—Montgomery County parents/guardians who wish to request a Change of School Assignment (COSA) for their children from their home school may begin the process during the upcoming transfer season—the first school day in February through the first school day in April 2026.

Students in Montgomery County Public Schools (MCPS) are expected to attend the school within the established attendance area in which they reside (home school) or assigned in accordance with their Individualized Education Program (IEP). Students may apply for COSA from the home school, or the school of assignment through the IEP process, based on the following criteria:

- When a documented unique hardship is shown: students may apply for a COSA when extenuating circumstances related to their specific physical, mental, or emotional well-being or their family’s individual or personal situation could be mitigated by a change of school assignment.
- When a family has moved within Montgomery County and wishes to continue attending their former home school, they may request a COSA without demonstrating a unique hardship. Such requests may be considered for a remainder of the current school year only with the exception that students in Grade 11 or 12 who may be granted a COSA to stay through high school graduation.
- When a student seeks to attend the school where a sibling will be enrolled in the regular/general school program, or a special education program, during the year the student wants to enroll.
 - ▶ When a sibling attends a magnet, language immersion, or other application program at elementary level, a COSA may be approved to the regular school program for other siblings on a case-by-case basis. Such approval requires consideration of available classroom space, grade-level enrollment, staffing allocations, or other factors that impact the schools involved.

The criteria above regarding siblings do not apply if a boundary change has occurred or if the sibling is in prekindergarten. Consideration will be given to school capacity and other issues that impact the ability of the requested school to admit new students.

The transfer process begins in the home school, where parents/guardians may request the *COSA Information Booklet* through ParentVUE. The booklet describes the process and provides useful information. Beginning the first week of February 2026, the COSA booklet will be available in both English and Spanish. Exempt countywide programs that do not fall under the transfer guidelines are listed in the booklet.

For the 2026–2027 school year, parents will continue to submit their request for a COSA online through their ParentVUE portal. The parent making the request will be copied on an email notification sent to the administrative team of the student’s current school shortly after the submission; this will serve as their receipt of their request and will be sent to the email address they entered when completing the online form.

For information about assignments for students residing in the Northeast, Downcounty or Middle School Magnet Consortium areas, please contact the Division of Consortia Choice and Application Program Services 240-740-7800 or visit the [website](#).

For more information about the transfer process, parents/guardians are encouraged to contact the principal at their home school. Non-English speaking students and parents/guardians who require assistance may contact ASK MCPS to obtain the information they need by telephone at 240-740-3000. Telephone operators who speak English and Spanish are available from 7:30 a.m. to 5:30 p.m. Monday through Friday. Parents who speak languages other than English or Spanish may call the ASK MCPS telephone line, identify their language, and have their questions answered through a telephone interpreter.
