KAISER PERMANENTE STRIVE

Getting started

When you take advantage of the Montgomery County Public Schools (MCPS) Wellness Initiative, you can reduce your health insurance premium and learn about vital health numbers like your blood pressure, blood sugar, and body mass index. You can save 2% of your total health insurance cost if you:

- Complete a brief total health assessment.
- Visit any Kaiser Permanente medical center for a no-cost biometric screening.

You can come in during any MCPS Wellness Event (COVID-19 dependent), or schedule a visit at any medical center when it's convenient for you. For complete details, just type "Wellness Initiative" into the search bar of any MCPS web page.

You must complete your biometric health screening and your total health assessment by October 7, 2023, for your savings to take effect on January 1, 2024. To continue your savings, you'll need to stay up to date on your biometric screenings and complete a new online health assessment each year.
