

Supporting Documents for Eligible Dependents

Eligible covered dependents must be enrolled in the same coverage in which you are enrolled.

Eligible dependents include your—

- spouse, and
- eligible children meeting the following age requirements:
 - until the end of the month in which they turn 26 for medical and prescription coverage
 - until the end of the month in which they turn 24 for dental and vision coverage
 - until September 30 following their 23rd birthday for life insurance coverage

The documentation you submit to show eligibility of spouse or child(ren) must include, but is not limited to, the following:

Spouse

- Court-sealed marriage license or certificate
- Social Security card

or—

- Current joint tax return (*signed by both parties or a copy of the confirmation of electronic submission*)

Newborn or Biological Children

- Valid birth certificate or proof of birth letter or birth registration notice
- Social Security card

Stepchildren

- Valid birth certificate or proof of birth letter or birth registration notice
- Social Security card
- Shared or joint custody agreement (*up to age 18; court validated*)

Adopted Children, Foster Children, Children in Guardianship or Custodial Relationships

- Social Security card
and one of the following—
- Adoption documents (*court validated*)
- Guardianship or custody documents (*court validated*)
- Foster child(ren) documents (*county, state or court validated*)
