

PEACEMAKERS CLUB

All students are invited to join the club. The mission of the club is for all Brookhaven students to take care of each other and stop bullying together.

Two students in 3rd, 4th and 5th grade class are chosen by their classmates to represent their class. These students meet with counselor at lunch at least once per month to develop projects and ideas to create a peaceful environment at Brookhaven Elementary!

Teachers please forward me the names of the two nominated students by Friday, September 17th.
