

Summer camps with Mad Science are the best!

See our locations on back of flyer and more information online at dc.madscience.org or call us at 301-593-4777

Children have so much fun they forget they're learning!

Crazy Chemworks
Shake up a flask of fun in the lab and become a junior chemist! Learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results.

Secret Agent Lab
Suspects! Schematics! Sleuths! Connect the dots using science to help solve a mystery in this hands-on investigation of the science of sleuthing.

NASA: Academy of Future Space Explorers
Blast off with a camp designed and created specifically by NASA engineers! Train to become a future space explorer, and get set on a trajectory from our Earth's atmosphere to the outer reaches of our solar system!

Eureka! Invention Camp
Creative contraption warning!! Each day you'll be given challenges which must be overcome using basic materials, simple machines, tips from world famous inventors, and the most important thing of all — your mind.

Red Hot Robots
Prepare for a scientific journey through circuitry and sensors. Compare the anatomy of a robot to that of our own. Explore several different types of robots and build your own to take home!

Dinosaurs & Ancient Worlds
Dig up dinosaurs and the ancient past! Solve real-life mysteries! Study bone fragments, pottery shards, and amber deposits to understand what they can tell us about history.

Flight Academy
Calling all future pilots! As a Mad Science flight cadet, you will take a nosedive into the world of aerodynamics. Build your own kite, test stunt planes, look to the stars, and watch as we launch model rockets over 200 feet into the air!

Science in Motion
Discover how everything moves with science! Each day, learn about a different realm of the scientific world. You'll step into the shoes of an engineer, put on the lab coat of a chemist, look through the binoculars of a zoologist, and more!

Mad Science camps offer a daily

combination of in-class discovery and exploration, outdoor games, physical activities, and hands-on application of the scientific principles, presented in a fun way. Your child will be able to touch, see, hear, and smell what science is all about. Campers create, build, and assemble a variety of take-home projects while exploring how science affects the world around us.

All camps are for rising 1st - 5th graders.

Hours and Pricing per week

Full-Day: 9-4pm, \$380 - \$395

Extended Care (offered at most camps)

Before care: 8-9 am, \$60 per week

After care: 4-6 pm, \$115 per week

Both: \$145 per week

Questions?

Email camps@madscienceofdc.com

Call (301) 593-4777

Use discount code **multicamp2026** at checkout and save \$30 per week when you register for two or more weeks!

Register at dc.madscience.org or call 301-593-4777

Weekly themes:

RHR: Red Hot Robots
FLA: Flight Academy

CCW: Crazy Chemworks
SAL: Secret Agent Lab

SIM: Science in Motion
EKA: Eureka

NASA: Academy of Future Space Explorers
DINO: Dinosaurs & Ancient Worlds

We run camps at schools, businesses, and churches for customer convenience. Camp content is identical regardless of location.
Topic summaries can be found on the other side of this flyer! *ALL camp weeks are five days; Monday-Friday.

City	Location	Address	June 22-26	June 29 July 3	July 6-10	July 13-17	July 20-24	July 27-31	Aug 3-7	Aug 10-14	Aug 17-21
Bethesda	Bethesda ES	7600 Arlington Rd		CCW	RHR	NASA	DINO				
Bethesda	Church in Bethesda	5033 Wilson Ln	SIM						EKA	FLA	SIM
Clarksburg	Wilson Wims ES	12520 Blue Sky Dr		SIM	FLA	DINO	EKA	NASA
