

# WELLER ROAD ES PARENT NEWSLETTER

SEPTEMBER 12, 20231

## PRINCIPAL'S POST

Hello Weller Road families!

We are off to an amazing school year. Our students are doing a terrific job following our school expectations of being respectful, responsible, and ready to learn. As I talk to teachers throughout the day, they continuously share how hard our students are working in class. I see this too as I visit classrooms where our students are putting forth so much effort.

Attendance is so important for our students. Thank you to our parents for getting your children here to school each day. MCPS has made school attendance a top priority, and Weller Road is doing the same. We will continue with student and class attendance incentives, and Ms. Musser and Ms. Dworin, our fantastic school counselors, will be sharing these incentives with students on the morning announcements.

One of the things I love most about Weller Road is our sense of community with our students, staff, and families. We look forward to you coming to our Back-to-School Nights this week so you can hear from your child's teacher(s) and see our amazing school community coming together.

I look forward to a super-awesome school year! If you ever have any questions, please don't hesitate to reach out.

Mr. Mascott
