

Honors English 11 - Summer Reading Task

What should I read?

You may read any kind of text: novels, newspapers, magazines, graphic novels, plays, poetry.

What is the assignment?

How has your text affected you as a reader?	How has your reading process been improved or changed?	What personal connections are you making with your text?	What would you ask or tell the author of your text if you met them?
How has your understanding of the complexity of human relationships increased?	<i>REFLECTION CHOICES</i>		How have you improved as a reader by reading your text?
What connections do you draw between your text and other texts you've read?			In what ways has the text helped you develop empathy?
What have you learned about culture or society or history from your text?	What does your choice of text reveal about you as a person?	What would you tell another student to get them interested in your book?	How has your book impacted the way you think about a specific subject or topic?
