Engineering
Seminar

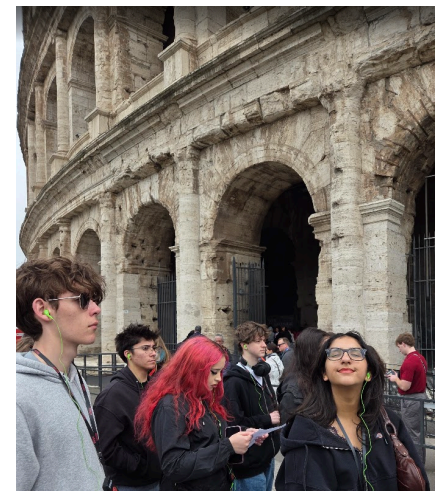

Start studying for
your AP exams!

There is still time to sign up for the Spring Break 2027 trip to France and Spain. Please email Ms. Clements for more info.

Coordinator Clements's Comments

I am dedicating all of my comments to photos from the APPS 2026 Spring Break Adventure to Italy.

From top left: Group photo in Pompeii- Mt. Vesuvius in the background, group photo on the Spanish Steps in Rome, boys at the Roman Forum, waiting our turn to get into the Colosseum, girls making pasta at the Cordon Bleu in Florence.

From top left: Pasta making class at the Cordon Bleu in Florence, boys outside the Uffizi galleries in Florence, girls along the Arno- Ponte Vecchio in the background statue of Neptune in Siena, visiting the Mediterranean Sea in Capri, lunch with a view!

Students of the Month

Class of 2026

Dhiya Krishnakumar
Dhiya has proposed a very interesting sounding Showcase. She consistently contributes in class discussions and her attendance is near perfect- even in her first period class!

Sarah Ulicny

Sarah is a model student. Her teachers wish they had classes full of kids just like her. She is talented and funny and maintains excellent grades despite her challenging schedule.

Class of 2027

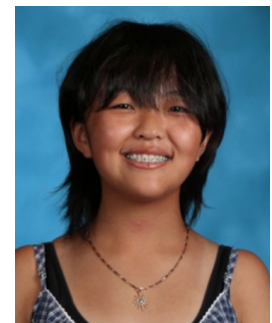

Class of 2028

Savin Criddle
Savin is a remarkable young lady. Not only is she a talented actress she also has a powerful interest in history and organized our school's first entrants into the history bee.

Jessica Yang

She does outstanding work in Biology and is an active participant every day. Her questions elevate the class as a whole.

Class of 2029
