HOW IS BULLYING RELATED TO HAZING?

- Hazing may be considered a form of bullying for the goal of causing discomfort, embarrassment, or ridicule for the purpose of joining a group.
- Bullying often is used to exclude an individual, while hazing is viewed as a ritual within a group.

IDENTIFYING HAZING

If you're not sure whether or not something happening to you or to someone else is hazing, ask yourself these questions:

- Would I feel comfortable participating in this activity if my parents or other adults were watching?
- Would we get in trouble if a school administrator walked by and saw us?
- Am I being asked to keep these activities a secret?
- Am I doing anything illegal?
- Does participation in this activity violate my values or those of this organization?
- Is this causing emotional or physical distress or stress to myself or to others?
- Am I going to be able to get a job if I have to put a criminal arrest on my application?
