## Coordinator Clements's Comments

October was a really busy month full of fun experiences. I was fortunate to have the opportunity to travel to China with the CHS Marching Band. There were MANY APPS students on the trip and I am so grateful they got to be part of a once in a lifetime cultural exchange. Here are a few photos of our time in China.

**Aadit Saraogi conducts the last performance in Shenzhen**

**Irene and Prisha in the Forbidden City**

**Kaitlyn Park and Eunice Kim shopping in Beijing.**

**Lily Garcia and Immanuel Moffatt on the Great Wall of China**

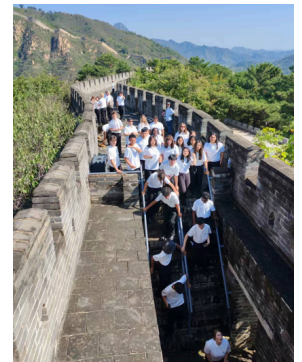

**Yi Wei Moh and Claire Mowery learn fan kung fu.**

**The band on the Great Wall of China**

We had a former CHS student come back and talk about research he is doing as a college student majoring in Psychology. He is currently working in graduate research investigating the topic of hope in combatting depression and anxiety.

**There are still a few spots left for the 2026 APPS trip to Italy. For more information please email Ms. Clements at [clementsworldclass@gmail.com](mailto:clementsworldclass@gmail.com)**
