

Middle School
Registration
Class of 2024

2020-2021 Registration Agenda

- Distribution of Materials
- PEAC Scholars – Changes to application process
- Graduation Requirements
- Registration Process

Counselor Assignments

2019- 2020

(by student's last name)

- A – Cer
- Cha - Elisa
- Ell through
Johnson-Taylor
- Jones through
Moore-Black
- Morales through
Rivas-Solano
- Rivera-Sloan
- Smith - Z
- Mr. Curp
- Mrs. Oswald
- Mrs. Harwood
- Mrs. Spicer
- Ms. Vaglica
- Mrs. McDermott
- Mrs. Culque

High School Success

- Plan your Education for Future Success
 - Become aware of your interests & abilities...take classes in these areas
 - Set high standards for yourself...try honors/AP classes!
 - Learn how to balance school & after-school commitments
 - Plan classes that are beneficial to your future
 - Respect deadlines
 - Follow classroom & school rules

Graduation Requirements

- 22 credits
- 75 SSL hours
- Required courses need to be retaken through High School Graduation Interventions and/or summer school
- Must meet requirements for MISA in Science, HSA in NSL Government, and PARCC for Algebra 1 and English 10

INTRODUCTION

MARYLAND DIPLOMA REQUIREMENTS

The state of Maryland authorizes one diploma for all high school graduates, based on successful fulfillment of four categories of requirements: enrollment, course credit, Student Service Learning (SSL), and assessments developed or adopted by the Maryland State Department of Education (MSDE), collectively referred to as the Maryland High School Assessments (MHSA). All requirements are summarized in the table below.

College and Career Readiness

In 2013, the Maryland General Assembly passed the College and Career Readiness and College Completion Act (CCRCCA), aimed at ensuring that all students are prepared for credit-bearing coursework in college and for living-wage careers. The CCRCCA includes the requirement that all students be assessed for college and career readiness in English and mathematics by the end of Grade 11, using one of several college and career readiness assessments. Students who do not meet the college and career ready standard in English and mathematics by the end of Grade 11 will be required to enroll in a transition course or other instructional opportunity during Grade 12, in preparation for reassessment. After completing the transition course or instructional opportunity, students must be reassessed by the end of Grade 12. School counselors and staff will work closely with students to determine the best assessment to take in Grade 11 as well as transition course options and reassessment during Grade 12, if necessary. More information about college and career readiness for the graduating class of 2023 is available at the website www.montgomeryschoolsmd.org/info/CCRCCA/.

Course Credits

Students shall be enrolled in Montgomery County Public Schools (MCPS) and have earned a minimum of 22 credits that include the following (unless a preapproved MCPS alternative is satisfied):

MCPS GRADUATION REQUIREMENTS AT A GLANCE			
ENGLISH	4 credits		
FINE ARTS	1 credit Selected courses in art, dance, drama/theatre, and music that satisfy the fine arts requirement are designated FA		
HEALTH EDUCATION	0.5 credit		
MATHEMATICS	4 credits, 1 half-year (A/B) algebra credit or one or more credits in a subsequent mathematics course for which Algebra 1 is a prerequisite, and 1 (A/B) geometry credit. NEW STATE REQUIREMENT FOR STUDENTS IN 2018 AND LATER: Students graduating in 2018 and later must be enrolled in a math course in each year of high school. This may result in students earning more than 4 credits in math for graduation.		
PHYSICAL EDUCATION	1 credit		
SCIENCE	3 Next Generation Science Standard (NGSS) credits, including at least 1 life science credit (BC) and 1 physical science credit (PC).		
SOCIAL STUDIES	2 credits, must include 1 U.S. History credit; 1 World History credit; and 1 National, State, and Local (NSL) Government credit		
TECHNOLOGY EDUCATION (TE)	1 credit designated TE. Advanced Technology (AT) courses do not satisfy the TE course requirement.		
ELECTIVES: The additional credits required for graduation may be fulfilled by one of the following three options	OPTION 1 2 credits in a world language, which may include American Sign Language; AND 2.5 credits in elective courses	OPTION 2 2 credits in advanced technology education (AT) AND 2.5 credits in elective courses. TE courses do not count as AT course credit.	OPTION 3 Complete a state-approved Career Readiness Program of Study (POS) AND 0.5 credit in elective courses
STUDENT SERVICE LEARNING (SSL)	75 service-learning hours		

Up-to-date graduation requirements by class may be found at www.montgomeryschoolsmd.org/curriculum/graduation-requirements.aspx

Enrollment

Students must satisfactorily complete four years of school beyond Grade 8. (For exceptions, see Alternatives to Four-Year Enrollment.) Beginning with students entering ninth grade for the first time in the 2014–2015 school year or later, each student shall enroll in a mathematics-based course each year the student attends a Maryland public high school, up to four years. This requirement is not waived for students enrolled in high school mathematics courses in middle school. MCPS courses that satisfy this requirement are published annually in this course bulletin. Students may also fulfill this requirement via dual enrollment, as set forth in section of MCPS Regulation ISB-RA, High School Graduation Requirements at www.montgomeryschoolsmd.org/departments/policy/pdf/abra.pdf.

Maryland High School Comprehensive Assessment Program

Maryland High School Comprehensive Assessment Program are tests developed for or adopted by MSDE that are aligned with and measure a student's skills and knowledge as set forth in the content standards for specified courses. The term "MCAP" encompasses both the High School Assessment (HSA) developed for Maryland, tests developed by the Partnership for Assessment of Readiness for College and Careers (PARCC), as well as other tests that MSDE may develop or adopt in the future. Students take these assessments as they complete the corresponding courses.

MARYLAND HIGH SCHOOL COMPREHENSIVE ASSESSMENT PROGRAM (MCAP) REQUIREMENTS ^{1,2,3,4}	
For Students Graduating in 2023 HSA, PARCC, and MISA Assessments	
The MCAP requirements are subject to change by the Maryland State Department of Education (MSDE).	
ALGEBRA 1	Course credit earned in Algebra 1 AND • Pass Algebra 1 PARCC
MISA Maryland Integrated Science Assessment	3 NGSS courses in Science AND • Pass MISA
ENGLISH 10	Course credit earned in English 10 or ESOL 3 or higher AND • Pass English Language Arts/Literacy (ELA/L) 10 MCAP HSA
GOVERNMENT	Course credit earned in National, State, and Local Government AND • Pass Government HSA

- ¹ Substitute Test: Student earning qualified scores on substitute tests (SMT) will meet the MCAP HSA requirement in that content area.
² Transfer Credit: Students transferring from outside-MD public schools may be eligible to meet some MCAP HSA content area requirements with transfer credit.
³ Combined Test score options are available for the HSA and/or the PARCC assessments.
⁴ Bridge Plan: The Bridge Plan is an alternative means of meeting the MCAP HSA graduation requirement. With the Bridge Plan, students demonstrate content mastery by completing projects when they have difficulty passing the additional test.

For additional information regarding MCPS graduation requirements visit www.montgomeryschoolsmd.org/curriculum/graduation-requirements.aspx

Promotion Regulation

MCPS Regulation JEB-RA, *Placement, Promotion, Acceleration, and Retention of Students* (www.montgomeryschoolsmd.org/departments/policy/pdf/jebra.pdf), requires that high school students earn 5 credits each year in order to be promoted, including specific required credits in English, mathematics, science, and social studies, as indicated in the chart below.

End of:	Total Credits Needed for Promotion to Next Grade	TOTAL CREDITS IN REQUIRED COURSES				
		Math	English	Science	Social Studies	Other Courses— See Options Required for Graduation
Grade 9	5	1	1	0	0	3
Grade 10	10	2	2	1	1	4
Grade 11	15	3	3	2	2	5

PEAC Scholars

what does PEAC mean?

- Designed for those students who want a more rigorous academic program
- Offers 7 accelerated PEAC courses
- Requires maintenance of an weighted GPA of 3.5 or higher
- Requires multiple AP and Honors courses
- Requires participation in senior year Capstone Project
- Officially apply during S2 of freshman year

Registration Directions

- Print clearly.
- Complete personal information at the top of the card.
- Select courses for both semesters-14 total.
- Circle course title and course number for each selection.
- Provide course title and course numbers for 2 alternative selections (1 for each elective).
- Teachers and periods may change during the second semester.

Registration Suggestions

- You are encouraged to consult with your current teachers and counselor to help determine appropriate classes.
- Talk with your parents/guardians as you determine your courses for next year.

Students must be scheduled for 7 academic periods. Be sure to choose a class for each period of the day. If you would like your child to be enrolled in a course that has not been recommended, please write a note indicating that and attach it to the registration form.

Making Course Decisions

- During your high school career consider honors and AP courses
- Be aware of the expectations and time commitment of advance courses
- Commit to challenging yourself
- Identify alternative (elective) courses

ELIGIBILITY

- To participate in extra-curricular activities students must maintain a 2.0 GPA and not earn more than one “E” in a marking period.
- Academic ineligibility remains in effect for the entire grading quarter.
- Remember that as a student, your academic success is largely your responsibility.

Self-Advocacy

- There are many resources for your support in high school.
 - School Counselor
 - Grade Level Administrator
 - School Nurse
 - Class sponsor
 - Classroom Teacher
 - Coach
- If you need help, you have to ASK.
