Student – Cover Letter (Example)

American Film Institute (Business address you are applying to) 8633 Colesville Road Silver Spring, MD 20910
Dear (name of supervisor/person you are applying to),
Currently, I am a rising senior at Northwest High School and wish to obtain an internship position. For the past three school years, I have been actively involved in various clubs and honor organizations such as National Honor Society, National Quill and Scroll Society, Students Against Destructive Decisions, and literary magazine. In addition, I am the section editor and the future editor-in-chief of the school newspaper.
Ever since my childhood, I have had a strong interest in both film and television. My fascination with film was sparked by my daily viewings of Walt Disney classics <i>Fantasia</i> and <i>Peter Pan</i> . My parents would say I spent most of my childhood learning how to operate a DVD player so I routinely watched Disney classics. As I grew up and attended middle school, I was introduced to more sophisticated films through studying the World War II era. Since then, I have become a student of film who wishes to understand the deeper meaning and techniques of telling a story through that medium. The American Film Institute is the premiere organization in the US; my <i>premier</i> choice to further my education in this area.
I wish to pursue a career in the film industry and plan to attend the University of Texas' Radio-Television-Film school. This internship will aid me in accomplishing my future goals by opening the door for me into film industry. Not only do I have interest in the various film genres, but I am also interested in the history, business, and technical side of filmmaking. The internship will expose me to different aspects of the film industry and will give me a better understanding and help me narrow my focus on future pursuits.
I am excited about the prospect of interning with your organization. You can contact me at or@mail.com. All decisions must be into Internship Director by June, 2023. Thank you in advance for your consideration.
Sincerely,
(Type your name here)
