Bobcat Family,

September 15th, 2025

I am honored to join this incredible school community and look forward to partnering with staff, families, and community members to support the success of every student.

Throughout my career in education, I have been guided by a commitment to academic excellence, equity, and cultivating a strong school culture. I bring with me a range of leadership experiences, including working closely with teachers to raise achievement, supporting student social and emotional growth, strengthening family engagement, and fostering a safe, inclusive, and collaborative school environment. My leadership style is rooted in integrity, relationships, consistency, empathy, and high expectations for both students and adults.

I believe that when schools, families, and the community work together, students thrive – I believe in the concept of the village. I am eager to build meaningful relationships with all of you, listen to your perspectives, and ensure that our shared vision for student success comes to life every day at Banneker.

This opportunity is both exciting and humbling, and I am ready to roll up my sleeves and get to work. Together, we will continue to build on Banneker's strong foundation while inspiring our students to dream big, reach their full potential, and embrace lifelong learning.

Thank you for welcoming me into the Banneker family. I look forward to meeting each of you in the weeks ahead and working alongside you to make this school year one of growth, achievement, and P.R.I.D.E for our entire community.

With enthusiasm and commitment,

Nasser Muhammad
Assistant Principal
Benjamin Banneker Middle School
