Parent/Guardian Financial Responsibility Montgomery County Public Schools (MCPS) wants you to know about your financial responsibility for field trips.		
Cost —Depending on the trip, the cost may include transportation, ticket or entrance fee, food, hotel, and/or a travel company's fee.		
Payment —Payment may be made by check made out to the school, cash, or, if available, through an online payment system. However, it is recommended that you do not send cash to school with your student(s). A check returned by the bank for any reason is subject to a \$25.00 returned-check fee. Please contact the school counselor or school administrator to make alternative arrangements for payment. Scholarships, reduced fee, or modified payment schedules are available if the cost of the field trip would create a hardship for your family.		
Delay, Change, or Cancellation —Sometimes it is necessary to postpone, change, or even cancel a trip for safety, bad weather, or other reasons. Sometimes, when a trip is cancelled, changed, or delayed, cancellation fees or other payments have been made in advance that MCPS cannot get back. For example, there may be transportation reservations, tickets that have been purchased, or fees paid to a travel agent. A refund is not always possible, but we will do our best to refund all or part of your payment.		
Additional Cost —If a trip is delayed, interrupted, or changed once it has begun and students need to remain away from home and school longer than anticipated for safety or other reasons, there may be additional costs for such things as food, lodging, and additional or alternative transportation. If this happens, we will do our best to keep additional costs to a minimum, but you are responsible for paying these additional expenses for your child(ren).

INFORMATION REGARDING TRAVEL INSURANCE

Although there are many travel insurance providers, the scope and cost of the coverage they provide varies widely. The one consistency, however, is that the cancellation of a school trip by school officials is not a "covered event" under travel insurance policies when the cancellation is purely precautionary. Nonetheless, travel insurance may be helpful should a trip be cancelled, delayed or interrupted due to other causes.

If group travel insurance is unavailable, impractical or inappropriate for a particular trip (e.g. only a small number of students are traveling or the cost of the trip is not substantial), parents may still wish to purchase travel insurance on their own. In such a situation, we recommend that the following statement be included in the letter to parents:

Given your potential financial responsibilities in the event of trip cancellation, delay or interruption, you may wish to consider purchasing travel insurance, which may cover costs arising from such events. The cost of such insurance and the scope of coverage will vary among companies. Please be aware that eligibility to receive cancellation benefits from an insurance company depends upon the circumstances of the trip cancellation. For example, if the school officials canceled a trip, it is most likely that this would not be considered a "covered event" unless it could be proven that cancellation was justified by independent circumstances. But, if the trip was underway and you incurred expenses for additional lodging or transportation, those might be covered. Therefore, we urge you to be sure you understand the scope of your coverage before purchasing any insurance. We do not endorse or recommend any particular insurance company and ask that you handle this on your own. If you are not familiar with companies offering travel insurance, a quick Internet search for "travel insurance" will provide you with numerous names.
